To Whom It May Concern,

I am writing to provide a professional reference for Proconnecy Ltd, with whom I have had the pleasure of working in relation to their staffing services.

Proconnecy have consistently provided us with highly skilled and reliable personnel, particularly in the areas of kitchen porters (KPs) and front of house (FOH) staff. Their team demonstrates professionalism, adaptability, and a strong work ethic, which makes a real difference in the smooth day-to-day running of service.

One of the aspects I value most is their responsiveness and flexibility. Whether for planned cover or last-minute requirements, Proconnecy have always gone above and beyond to meet our needs, ensuring that we are supported by competent individuals who integrate seamlessly with our in-house team.

I would not hesitate to recommend Proconnecy Ltd to any business looking for a dependable partner in staffing solutions. Their commitment to quality and service has been evident throughout our working relationship.

Please feel free to reach out if you would like to discuss my experience with them in more detail.

Kind Regards,

Rubhit Abdul
